The Camp/Special Events charge is an estimate and may be less when final budgets are known.

In the event that any 5th or 6th graders involved in these programs do not elect to attend one or more camps or special events, the charge will be prorated. The estimated fees for opting out for special events are:

**Fees and Charges Schedule 2015**

Roselle Primary School - Contributions & Charges Schedule 2015
Dear Parents

The Rosalie Primary School Board has endorsed our schedule of Contributions and Charges for 2015. This schedule is outlined over the page and should allow you to calculate all costs that may occur throughout the 2015 school year. An explanation of this schedule follows:

1. CONTRIBUTIONS

Contributions are voluntary and are required to be within the $60.00 maximum set in the School Education Regulations 2000. The School Board has set this amount to $60.00 for each child. While contributions are voluntary, the quality of our learning programs will be maximised when all families contribute.

2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

This is outlined in the Schedule for Charges section over the page.

The amounts can vary from class to class. These are charges associated with the participation in such activities as excursions, incursions, dance, swimming, interschool sporting events, school camps, PEAC, instrumental music, choir etc.

Families will receive an account from the school for the collection of contributions and charges at the commencement of the new school year and then again in Semester 2. The bulk of costs are covered under the Semester 1 & 2 Activities Charge for Excursions/Incursions, however some individual requests may be made, where appropriate, for other activities such as those listed.

Charges which are requested during the school year for special activities such as intern swimming or camps must be paid to enable students to participate. I encourage parents to make contact with me should ‘up front’ payment be difficult so that other arrangements may be made. This contact will, of course, be confidential.

The spreadsheet over the page indicates the maximum that a parent or carer would be expected to pay if their child took part in every possible activity. Once approved, these projected charges cannot be increased during the year. All amounts shown on the summary sheet have been approved by this year’s School Board and represent only minor changes from previous years. Parents of Year 6 children should not be concerned about the inclusion of the special option for possible travel listed at the bottom of the schedule. This will be explained by teachers early in 2015.

3. PERSONAL ITEMS (REQUIREMENTS) LIST

All students, Kindergarten - Yr 6, will have received their Personal Items lists for 2015.

Our supplier is Campion Education and, while you have no obligation to use Campion, there are a number of clear benefits including:

- Access to needed texts. N.B. Envision Maths, a resource we have chosen in support of our implementation of the Australian Curriculum, is difficult to obtain. Suppliers of this resource are scarce.
- The ability to order online.
- To avoid a Late Order Fee (maximum of $17.50), orders MUST be either returned to the school or completed online by Monday 1 December 2014.
- Campion have agreed to manage the collection of a number of levies for selected year levels provided for the provision of materials for Writing. Parents choosing not to use this service will need to be billed for this levy at a later date.
- Campion will provide us with a commission on purchases made which will be of real benefit to our school.

Note: Orders must be returned/submitted by the due date in order to avoid the Late Order Fee. Please refer to the outline of costs on order forms supplied pertaining to delivery should orders be received after Monday 1 December 2014.

4. P&C CONTRIBUTION

The P&C Contribution provides a valuable source of funds which are used to resource the school with items and events such as the Artist in Residence program, the Writers’ Festival and computers. A request for this payment will be included in the Contributions and Charges Account sent to each child/family at the commencement of the new school year.

This information is provided in order that you can accurately calculate the total contributions and charges you may be asked to contribute towards your child/children’s schooling for 2015.

I would be happy to answer any queries you may have in relation to these figures and I look forward to your continued outstanding support for our school.

Yours sincerely

Roslyn Kay
