Parent/Guardian Agreement

I agree to allow my child to access the Internet and email at Rosalie Primary School.

I understand that adequate supervision will always be available when my child is using the Internet and email and that steps have been taken to minimize risk of exposure to unsuitable material.

I understand that websites will usually have been viewed by the classroom teacher prior to their use.

I understand that a member of the school staff will endeavour to view incoming and outgoing email correspondence before they are mailed or received by students.

I have explained to my child that he/she should turn off the monitor or close the laptop and inform the teacher if he/she encounters any material on the web that makes him/her feel uncomfortable at any time.

I understand my child’s picture will not be sent over the Internet without first receiving permission from a parent/guardian (provided on enrolment forms) and then having teacher approval.

My child is aware that he/she should never give out personal information, including phone number, last name or home address when using the Internet. This will also encompass a growing understanding of the need for privacy of passwords.

I understand that this Code of Conduct will stand until the end of Year 2 or until a revised version is provided to me.

I agree to .......................................................... using the Internet and email at school for (Child First/Last Name) educational purposes in accordance with the Agreement above.
