Sculptures by the Sea Photographic Competition

Cottesloe Sculptures by the Sea took place last month. Rosalie students captured their own images of the event in the annual Photographic Competition run by Mr Johnston. There were some fantastic photos submitted by students, past students and parents alike. We had so many entries in the competition this year and, judging by the creative photographs, we have some budding photographers out there.

Here are the category winners.

Overall Winner - Oskar Nivison, Year 7

Sarah Spencer, Year 2

Avery Poage, Year 1
Thank you to Mr J for his efforts in organising the competition.
