

## Student ICT Acceptable Usage Agreement

I agree to follow the online rules set out below when I use the internet or a log-on account:

### Communicating with Clarity and Precision while Taking Responsible Risks

- I will ask the teacher first before using digital technologies at school.
- I will ask the teacher before opening and saving work to my thumb drive (USB).
- I will not let other people log-on to my account without checking with the teacher first.
- I will tell the teacher if I see anything that makes me feel uncomfortable.
- I will tell the teacher if I think someone is using my online account.
- I will only use work from the Internet if I have asked the teacher.

### Managing Impulsivity

- I will not give my password out to others.
- I will not give out my name, phone number, address, name of the school, photographs or other details about myself or others without checking with the teacher first.
- I will only use my thumb drive to open and save work, unless instructed otherwise by the teacher.
- I will only use my user name and password when logging on to a computer unless instructed otherwise by the teacher.
- I will take care when using the computer equipment and will not change the computer settings.
- I will not use the computers to be mean, rude or unkind about other people.

### Thinking about your Thinking

- I know that I am responsible for anything that happens when my online services account is used.
- I know that the school and the Department of Education may see anything I access on the computers.
- I know that I am responsible for what is saved on my thumb drive.

### I understand that:

- If I use the Internet, or my online account, in a way that I should not, then I may not be able to use these in the future.

I agree to follow the *Student ICT Acceptable Usage Agreement*. I understand that if I am given an online service account and break any of the rules in the agreement, it may result in consequences.
