

ROSALIE P&C

VISION

Rosalie P&C's vision is to be a group that provides -

connection

and

enrichment

"... in harmony ..."

WHAT THE VISION MEANS TO US

Connection

We aim to help parents, students and the community - connect with the School, and each other.

Enrichment

We plan events, activities and festivals to help our kids love their school experience at Rosalie even more, and learn about the world they live in.

"... in harmony..."

These final words of our Vision are from our precious School Song. They remind us that "the road to wisdom must be walked in harmony". As a P&C we aim to do all things under our banner "in harmony". We want to build and support a vibrant school community where everyone feels safe and all ideas are welcome.
