

Design Process

PROUD TRADITION, SHAPING FUTURES.

ASK

pose open-ended questions.

IMAGINE
develop possible solutions.

PLAN

by selecting a promising solution.

CREATE
build, test and evaluate.

IMPROVE

adjust and redesign to make it better as required.

The design process supports students to develop the knowledge, understandings and skills to ensure that, individually and collaboratively, students: investigate, design, plan, manage, create and evaluate solutions.
