Dear Parents and Caregivers

SCHOOL CONTRIBUTIONS AND CHARGES 2022

The Rosalie Primary School Board has endorsed our schedule of **CONTRIBUTIONS AND CHARGES** for 2022 in accordance with the School Education Act 1999. This letter and accompanying schedule are designed to provide you with information and allow you to calculate all costs that may occur throughout the 2022 school year. ***This is NOT a request for payment.***

Contributions and Charges comprise the following items

1. **SCHOOL CONTRIBUTION**

Contributions are voluntary and are capped at \$60.00 per child. This is an important source of funding for the school and the quality of our learning programs is maximized when **all families** contribute.

2. **CHARGES for extra cost optional items**

The children will engage in a variety of activities associated with educational programs for which charges are incurred. The Schedule of Charges and Contributions is outlined over the page.

Charges for special activities such as camps and swimming must be paid 'up front' to enable students to participate. I encourage parents to contact me should 'up front' payment be difficult so that alternative arrangements can be made. This contact will, of course, be confidential. Texts books are no longer listed on the Resource List but appear on the Charges for extra optional items.

The Schedule of Charges indicates the maximum that a parent or carer would be expected to pay. Very few students, if any, will participate in the full range of activities.

3. **RESOURCE LIST & PERSONAL ITEMS List**

All students will receive a Requirements List for their 2022-year level. Our preferred supplier is Champion Education for the following reasons:

- Online ordering facility
- Commission is received by the school on purchases made.

Champion orders must be returned / submitted by the due date to avoid a late order fee.

4. **P&C Contribution**

The P&C Voluntary Contribution provides a valuable source of funds which together with fundraising activities is used by the Rosalie P&C Association to make available a large range of services and programs that are far in excess of what the school could provide with only the \$60 School Contribution and Government Funding.

Events and activities supported or made possible during 2021 included

- Reconciliation / NAIDOC events
- Messy Marathon
- Protective Behaviours Parent Workshop
- K/PP Camp Out
- Village Fair

Our school continues to be known as a 'school of excellence' in large part due to the outstanding level of support we receive from our community in the form of this contribution. Please feel free to offer a level of contribution that suits your circumstances.

PAYMENT OF FEES AND CHARGES

A Contribution and Charges account will be sent to each child / family at the commencement of the new school year and again at the start of Semester 2 for the collection of the contributions and most charges. However, some activities e.g. Interm Swimming and camps will require an additional request when costs are finalised.

This information is provided in order that you can accurately calculate the **maximum** contributions and charges you may be asked for in 2022. I am happy to answer any queries you may have in relation to these figures and I look forward to your outstanding support of our school.

Yours sincerely

Ros Kay
